

ELLIOT CHAPMAN

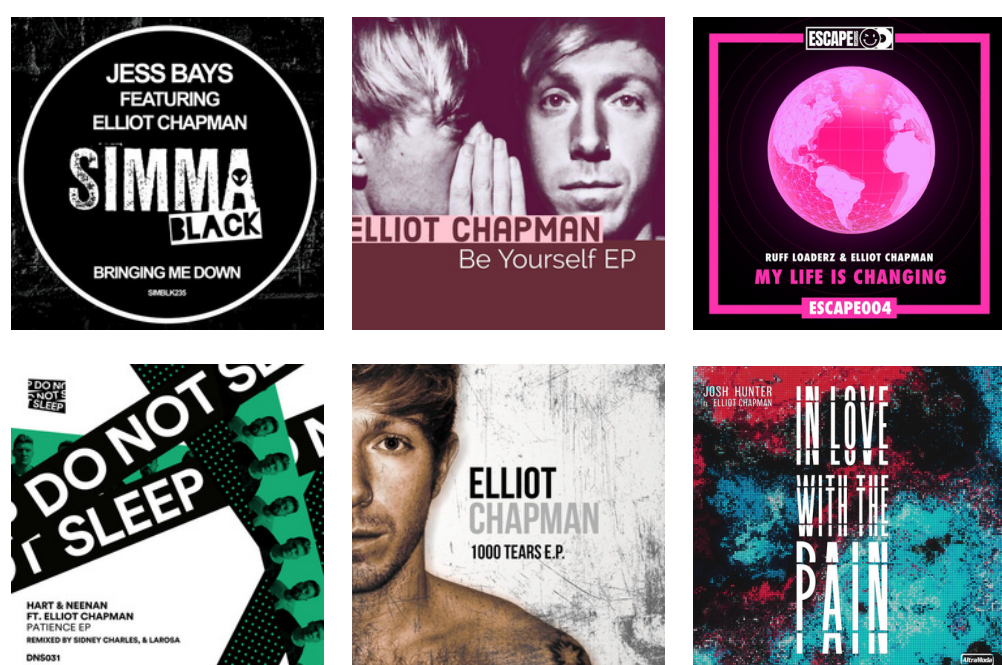

Elliot Chapman began his career in the music industry as an independent artist performing and writing his own songs. He has been writing and collaborating with a variety of producers for over 10 years. After initially toplining and appearing on several underground house collaborations he teamed up with former radio 1 DJ Kissy Sellout for a release on Kissy's own label San City High Recordings. Since then Elliot has gone on to feature on a number of releases on labels such as **Quantize, DVINE Sounds, Do Not Sleep, Liquid V, Escape Records, Altra Moda and Simma Black.**

As a keen writer he also provides toplines for other vocalists and projects. He is a versatile and is able to work on variety of genres including Electronic, Soul, Hip Hop and pop. He also writes for music libraries and has had a number of tracks broadcast worldwide on national television.

As well as featuring on popular Spotify and Apple Music playlists including House Nation and UK House Music, Elliot has also received airtime on national and international radio stations including **Kiss FM, Ibiza Global Radio** and a **Radio 1** premiere of his collaboration with Jess Bays.

Elliot has performed across the UK and Europe with a number of successful function bands and continues to write and release his own music.

Elliot has gone from strength to strength since signing his publishing agreement with 23rd Precinct Music in 2020 - taking part in numerous songwriting sessions and writing camps. Growing and developing his repertoire as a songwriter and vocalist - with a positive collaborative approach working with writers such as **LYP, Tom Caruso, Jess Bays, Josh Hunter, Ruff Loaderz, Husky, Devon Rea and more.**
